Barracuda. This car is very straight and very  
es and all new weatherstripping. This car  
eand know something cool is coming,  
e just screams attitude. When this thing  
jine is a built 440 with Keith Black flat top  
, ARP stud kit, Mopar Performance Cam  
me oil pump, Ceramic coated headers and  
ne tranny was rebuilt with a shift kit and a  
ing has way more power than you are  
like a dream. The interior is pretty much all  
on this or any of our other quality
